A significant tradition of the World Citizen Dinner is the Corporate Scholarship Program. Generous table sponsors donate two or more seats to the Council for special guests, including area students, teachers, and professors.

These seats have been made available each year for area educators and students, at both the high school and college level. Since 1990, over 700 educators and students have attended the dinners under this program. The Charlotte World Affairs Council Scholars, outstanding regional teachers selected each spring, attend the dinner to be recognized as well.

Table sponsors and patrons are encouraged to consider this option. In the past, these special guests have participated in this once-in-a-lifetime experience that would not have been possible without the generosity of individuals and corporations like yours. Table hosts also enjoy meeting these guests who are honored and excited to have the opportunity to attend.
